Educator, designer, and storyteller with four years of teaching, advising, and coaching teens, a computer engineering background, and hands-on makerspace experience. Builds programs where young people make, share, and lead, and where learning is both educational and entertaining.

TEACHING & YOUTH PROGRAMS

Belmont Hill School — Belmont, MA

Director of Computer Science; Faculty; Advisor — August 2021 – May 2025

- Taught roughly 60 middle and high school students each year in computer science, geometry, Latin, and design engineering
- Wrote four computer science curricula (Intro to CS, AP CS Principles, AP CS A, Internet of Things) and built the initial stages of the required eighth-grade Digital Literacy course
- Served as homeroom advisor, club advisor, and mentor across campus; served on the Academic Technologies Committee and advised the Academic Policy Committee
- Designed and built a seating-and-attendance app (Python, Java) with program directors, cutting seat-assignment work from hours to under two minutes; still in use

Belmont Hill School — Makerspace & Chapel Row Markers — Belmont, MA

Makerspace Assistant Faculty; Project Lead, Intro to Design Engineering — August 2021 – May 2025

- Maintained and repaired makerspace equipment (laser cutter, CNC, vinyl cutter), ordered supplies, and trained fellow faculty
- Wrote operating documentation for the CNC and vinyl cutter, now used for 100% of student operation of those machines
- Led six ninth-grade student designers through user interviews, vector design (Inkscape), and batch laser fabrication of 100+ row markers, now permanently installed in the school chapel (January – May 2025)
- Managed scope, schedule, materials budget, and purchasing; secured sign-off from the Head of School and Director of Facilities after 12+ design iterations

Belmont Hill School — Athletics — Belmont, MA

Head Coach, Middle School Crew; Coach, Wrestling (Middle School & Varsity) — August 2021 – May 2025

- Coached roughly 120 student-athletes; grew middle school crew enrollment 31% and trained 12 National Prep All-Americans in wrestling
- Volunteered to organize and run crew regattas and wrestling tournaments with peer schools; managed off-campus transportation, practice plans, and competitions

Belmont Hill Summer School — Belmont, MA

Computer Science Teacher — Summers 2017, 2022, 2023

- Taught four classes of middle and high school students programming in Java and Scratch

LimeSpring — Remote

Course Developer & Consultant — June 2022 – January 2023

- Developed, wrote, and recorded an eight-module online course, Introduction to Programming: Python

EVENTS, DESIGN & PROJECT WORK

Fini Table Ltd. — Pampered Chef Conference 2026 — Chicago, IL

Assistant Interior Designer — July 2026

- Coordinated 30+ volunteers, union contractors, and client staff to install 23 vignettes, workshops, demo stations, and video booths at McCormick Place in two days
- Co-owned install logistics and spatial design on a five-person team; staged a warehouse dry run, then moved 55 pallets of product, sets, and props on site

Northwestern University — Industry Partner Projects — Evanston, IL

Student Designer (McDonald's, JPMorgan Chase, Procter & Gamble) — September 2025 – March 2026

- McDonald's: led a quarter-long project on family engagement; ran nine interviews and research safaris, built four prototypes, and presented to five senior directors
- Procter & Gamble and JPMorgan Chase: ran 16 interviews and three service safaris, tested 12 prototypes, and managed a cross-functional team

ADDITIONAL EXPERIENCE

Alpha Club New York New York, NY

Manager August 2019 – May 2020

- Hired and supervised a three-person staff; coordinated four to six vendors and managed a ~$45K annual budget alongside the club's financial manager

Culinary & Hospitality Massachusetts & New Hampshire

Line Cook, Uni; Sous Chef, Baker Hill Golf Club; Cook & Bartender, Dear Annie 2019 – 2024

- Served guests at the counter and through hotel room service; ran daily service, inventory, and special-event dinners on tight timelines

EDUCATION

Northwestern University, Segal Design Institute Evanston, IL

Master of Science in Engineering, Design, and Innovation (Expected March 2027) September 2025 – Present

- Coursework: HCD Design Research, HCD Service Design, HCD Interaction Design, VR/AR Storytelling, Product Management, Designing Product Interactions

Columbia University, The Fu Foundation School of Engineering and Applied Science New York, NY

Bachelor of Science in Computer Engineering; Minor in Music Theory August 2017 – May 2021

- Columbia Men's Heavyweight Division I Rowing

SKILLS + INTERESTS

- **Youth Programs:** Curriculum design, facilitation, advising and mentoring, coaching, volunteer coordination, event and tournament operations, hiring and supervision
- **Digital Studio & Fabrication:** Laser cutting, CNC, vinyl cutting, 3D printing, circuits; equipment maintenance and supply ordering
- **Design & Media:** Adobe Photoshop, vector graphics (Inkscape), video editing, photography, print layout and production; two self-published cookbooks (100+ copies sold)
- **Technology:** Python, Java, C, MicroPython (Raspberry Pi Pico, ESP8266), Scratch; Microsoft Word, Excel, PowerPoint, Acrobat
- **Languages:** Spanish (beginner)
- **Interests:** Dungeon Master and narrative designer (Cerca Mare campaign world), Field Museum member, WSET Level 2 in Wines (with distinction), SCUBA Open Water Diver
